

Tomorrow's History Today

All would agree that these are extraordinary times, and should be recorded. Millmount Museum and the Old Drogheda Society invites young people to recall their experiences of this unique time and to record tomorrow's history today, in story, poetry and art. Entries will be kept in our archives, a time capsule for young people in years to look back on and reflect on the year 2020 when the world stopped and people came together by staying apart, It is hoped that we will have a display of the entries received in September in Millmount. We ask parents/guardians to submit the entries as email attachments providing the name and age of the young person submitting the work. Entries must be sent as email attachments. They also can be scanned or photographed and submitted electronically by email attachment Entrants must be under 18.

Please send entries to

Why not create a record of your experiences of what it was like to live during the Corona Virus Emergency.

Write a story, or a poem or draw a picture of what you are doing and get your parents to send it to us at Drogheda Museum Millmount and be part of Tomorrows History Today
